Testing Center

Punching Workshop

Injection Workshop

Mould Workshop

Assembly Workshop

Lean Production Workshop

Spot Welding Workshop

Automatic Assembly Workshop

The Scope of our Business

Surge Protection Device, MC4 Solar Connector, Fuse, Isolation Switch, Combiner Box etc.

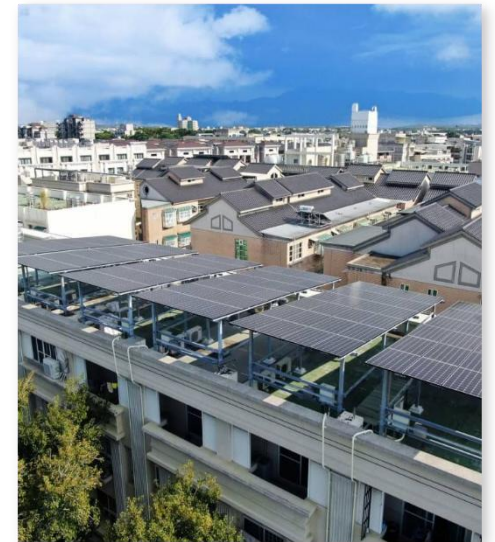

Solar Components

Combiner Box

MCCB

Household Photovoltaic System

Industrial, commercial and household solar system products

Customized Products for solar system

Willing Electric

- **Platic Combiner Box**
- **Metal Combiner Box**
- **DC + AC Combiner Box**
- **AC Distribution Box**

Solar DC system accessories products

Protect circuit safety and system operation

Willing Electric

- **DC & AC Miniature Circuit Breaker**
- **DC & AC Molded Case Circuit Breaker**
- **DC & AC Surge Protection Device**
- **DC Fuses (Fuse holder & Fuse link)**

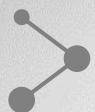

Isolating switch series

Meets Brazilian standards

Willing Electric

- **DC Isolator Switch**
- **Isolator Switch with waterproof box**

PV Solar Connector

Necessary accessories for photovoltaic projects

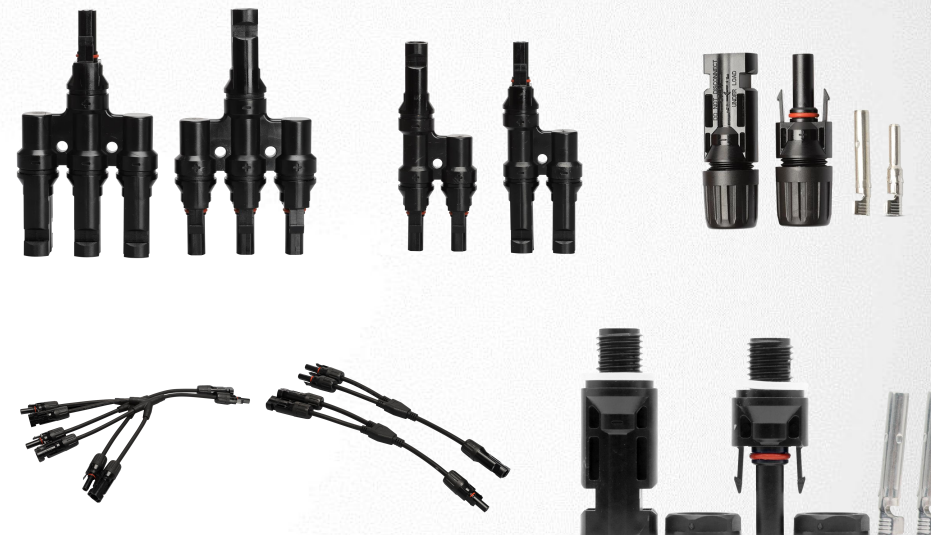

Willing Electric

■ MC4 Series:

MC4 1000V; MC4 1500V,MDT Series; WLY Series...

■ Solar Cable

■ Tool Kits

CE & CB Certificates

Metal & Plastic Combiner Box, PV Connector, DC MCB, Isolator Switch, DC Fuses, Fuse Link etc.
